GSENM Modification Memo DRAFT 10.04.2017.docx

I talked to Aaron about these and I'm good with that. I talked through Bear's Ears with him too and he is going to make those edits...since they are all the same language from this one.

How about these edits to address Cally's comments and suggestions? (I was working on cleaning up another version so I just incorporated them into the one I was working on). If they look ok, I can probably "translate" them over to the proclamation and BENM.

Also looping Laura.

As I understand it, this has to be final and camera-ready by tomorrow. Would it be possible to have any other edits, etc by COB today? In the meantime, I'm going to continue "cleaning up" this version (in track changes).

thanks!
